**NOTICE TO BIDDERS**

**ASPHALT PAVING**

The Barry County Road Commission works very closely with the Townships during the construction year. We receive Township resolutions from March thru June. The following is our best guess on the 2010 paving construction season. Those with work order numbers have been approved. As always there may be more or less. Thank you and if you need an update please call the Engineering department.

Sincerely,

Douglas E Peck  
Operations Engineer
